

ADVANCED FULL-MOTION PREMIUM WALL MOUNT FOR TVS 42" - 90"

High-end performance meets high-end design

The Advanced Full-Motion Premium TV Mount is a next-generation mount that incorporates the TV into a home in an entirely modern way. Featuring a stylish brushed metal finish and slim profile, the Advanced Full-Motion Mount complements the sleek look of today's TVs. Beneath the mount's exterior is a precision-engineered, ultra-strong solid steel frame – ensuring the TV stays securely in place.

Expertly engineered with FluidMotion™ design, the Advanced Full-Motion Mounts provide unparalleled smoothness – allowing for effortless extension and swivel. The mount's Steady Set™ functionality holds the TV in place – eliminating drift and unwanted TV movement. The simple and intuitive design guarantees a quick and hassle-free installation.

Stylish brushed metal exterior seamlessly blends with TV and décor

In-arm cable management creates a clean look

Steady Set™ holds TV in exact position – preventing drift and unwanted TV movement

FluidMotion™ design provides effortless TV movement

Slim full-motion mount sits just 2.15" from the wall in home position accentuating the sleek look of ultra-thin TVs

Precision-engineered, ultra-strong, solid steel frame provides maximum support

Virtual Axis™ provides fingertip tilt
